Participants identified

The Court heard from counsel for both parties regarding Defendant's Motion to Compel (ECF No. 21)

The motion is GRANTED IN PART / DENIED IN PART – Plaintiff will produce documents showing the relationship between BAM and Synovus. Additionally, plaintiff will produce documents showing when the subject matter property interest was transferred to BAM and how that was accomplished. Finally, defendant will provide to plaintiff a Notice for 30(b)(6) deposition specifying the narrow scope to be discussed so that the plaintiff can produce the most qualified witness(es) for deposition who can testify to those documents produced and the transaction itself. With regard to the marketing of the property, plaintiff shall produce within seven (7) days any documents in their custody and control that pertain to this request.

The Court will not award attorney's fees regarding this motion.

Parties shall prepare and submit to the Court, as soon as possible following the hearing, a proposed Amended Scheduling Order. The Court requested that all dispositive motions be fully briefed by the end of the year. Additionally, parties will be allowed a page extension on the brief in support of dispositive motions and the response brief (30 page limit for each).
